Oregon Total	1,155,600	80,200	1,232,200	69,600

Combination "Gravity and Pressure" Category not shown due to low statistical reliability

NOTE: Data may not add to totals because of rounding. The error referred to in the table is the standard error of the estimate. You can obtain the margin of error at the 95% confidence limit by multiplying the error by 1.96. Standard errors greater than 50% of the estimate indicate a low level of statistical reliability.
